

Ethical and Legal Challenges in a Pandemic

ARIZONA BIOETHICS NETWORK

9th Annual Conference

September 18 & 19, 2020

Who We Are

Arizona Bioethics Network (ABN) is dedicated to increasing the knowledge of bioethical issues and proficiencies in the healthcare and biomedical research community. ABN provides access to research resources, offers educational programs, and provides networking opportunities for biomedical and health care professionals to collaborate and exchange ideas.

Join us for our monthly webinars!

All webinars are hosted on the internet, so you can participate from wherever you are and earn CEUs. To see our upcoming topics and to register, visit:

Our Speakers

Stephanie Desiderio, BSN, RN, CHPN

RN at Boeing Occupational Health Services; testing employees for COVID-19, guiding employees about quarantine and testing, assessing contact tracing procedures and implementation

Hannah Dillon, MD

Anesthesiologist and Chair of the Medical Ethics Committee at Tucson Medical Center. Fullbright Fellow whose research centered in The Netherlands studying the complexities of end-of-life decisions, such as organ donation, physician-assisted suicide, and medical euthanasia.

Sharon Dipasupil, MSN, RN

Regional Health Center Director at El Rio Health, Tucson AZ. Responsible oversight of multiple community health centers that provide care to the very vulnerable population of people in the community: homeless (street medicine), HIV care, and behavioral health.

Our Speakers

Neila Keener, LMSW, ACHPC-SW

Advanced Certified Hospice and Palliative Care Social Worker at Banner Baywood Hospital supporting complex chronically ill patients in a hospital and home health setting

Corene Kendrick, JD, MBA

Civil rights attorney with broad experience litigating on behalf of incarcerated persons and foster children; public policy experience in advocacy, community engagement, and lobbying of federal, state, and local officials

Chikal Patel, MD

Medical Director, Complex Care Management at United HealthCare, Optum Health. Specialties in Internal Medicine, Hospice/Palliative Care and Geriatrics/ Gerontology

Our Speakers

Patricia Mayer, MD, MS, HEC-C

Director Clinical Ethics at Banner Health Systems; served on the committee that proposed the COVID-19 triage protocol and the subsequent COVID-19 Addendum: Allocation of Scarce Resources in Acute Care Facilities adopted by the State of Arizona.

Bridget Stiegler, DO

Medical Care Director and Palliative Care Hospice physician at Northern Arizona Healthcare, Flagstaff Medical Center, as well as educator/trainer for nursing staff and off-site employees

Michelle Weaver, RN, BSN, MBA, COHNS

Occupational health nurse for Banner Health Systems: worker's compensation, medical surveillance, COVID19 triage/testing, educator/trainer for nursing staff and off-site company employees

We need you!

Arizona Bioethics Network became an independent 501c3 in 2017. If you want to help us continue to strengthen the Arizona bioethics community through our webinars and conferences, please consider [making a donation](#). We would also love to have your input at our Board meetings.

Thank You!

ABN thanks the community for its support and contributions. Our staff is voluntary and all donations go directly to programming. A big thanks goes to our in-kind contributors for this conference:

- Arizona State University, Office of Interprofessional Continuing Health Education
- AT Still University School of Osteopathic Medicine in Arizona
- CommonSpirit Health
- The Peaks, Senior Living Community, Flagstaff, AZ

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Arizona State University and Arizona Bioethics Network. Arizona State University is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

ACE

ASWB approved continuing education

As a Jointly Accredited Organization, Arizona State University is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Arizona Bioethics Network maintains responsibility for this course. Social workers completing this course receive 5 ACE continuing education credits.

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive 5 Interprofessional Continuing Education (IPCE) credit for learning and change.
