An Arizona Bioethics Network Conference

ETHICS AT THE BEDSIDE

MAKING THE HARD DECISIONS

Friday, April 20, 2012

Tempe Fiesta Resort Conference Center

Whether you work with patients/clients in a hospital, hospice, emergency setting, long-term care facility or the home, making ethical decisions about life changing or end-of-life choices is difficult.

Come join us for presentations and discussions that will help build your understanding.

This seminar qualifies for CME and CE.

BIOETHICS
THE ARIZONA BIOETHICS NETWORK

The Arizona Bioethics Network is a Community of Practice supporting practical health care ethics and an environment that improves decision-making and conflict management for patients and caregivers.
